

Lamp replacement MobiZone

UV-lamp replacement

After approximately 1 year of continuous operation (2 years if the device is used occasionally) the power of the UV lamp decreases and it needs to be replaced.

Disconnect and wait until the device is cold.

Unscrew the screws on the underside of the unit.

Open the device.

Replace lamp (use only BioZone original light, use of other lamp will cancel warranty)

Avoid rubbing the glass on the lamp with your fingers. • Close the device, screw down the screws on the underside, plug in and the device will start automatically. Check that the UV light is on (low blue light from the inside)?

Note! Environmentally hazardous waste! The lamp is thrown in containers intended for lamps containing mercury.

Unit	Lamp #
MobiZone	lamp # 10-04100

Operating Costs

BioZone's devices include advanced electronics with its own unique power supply that ensures that the UV lamp can keep the wavelengths required for optimal air purification. BioZone uses 12V, making it safe to use. BioZone air cleaner requires almost no maintenance (except for lamp replacements) and is easy to handle and cheap to own. The power consumption is less than 15W.

Practical information

Specifications

Size	148mm X 80mm X 37mm
Ozone	Ozone levels never rise above 0.03 ppm, if the device used according to the instructions.
Jonization	A low level of negative ions is created by UV light
Material	ABS, Aluminum composite
Electric	12V DC (car & boat) 100-240V AC 50-60Hz (wall socket - optional accessory)?
Manufacturing	Made in China, EPA-approved factory
Warranty	1 year

Warranty

Warranty

The BioZone devices are manufactured and tested according to the latest methods. The carefully selected components and fabrication materials ensure you a carefree use.

We grant one (1) year product warranty on both the device and the lamp calculated from the date of purchase.

The purchase receipt or invoice is valid as a guarantee certificate.

The warranty does not apply if the appliance has become neglected, for example been dropped at the floor, has been exposed to water or if you have not used original lamps or original power sources.

The warranty does not apply unless the device is used in accordance with the instructions.

The warranty does not apply to damage caused by lightning strikes.

If you have any problems, contact us at +351 92 422 98 45, or via the website www.biozone.one.
